# **Video Discussion Questions**

## **Beyond the Story: Into the World of Jen Bricker**

---

1. Consider what Jen says in the video at 1:09: "*Can't* isn't part of your vocabulary' is more than a saying. It's more than a sentence." What does she mean?

---

2. At 2:47, Jen mentions that she would e-mail ideas to her "ghostwriter." What is a ghostwriter? What context clues in the video could help you figure this out? Explain.
3. What is the mood of the last segment of the video, about Jen's workout and aerial routine (3:51-4:55)? Consider the narration, music, and visuals.
